# FEATURES AND BENEFITS

Increased efficiency and productivity

## SINGLE TRUCK DOES IT ALL 1

No need for different trucks for different picks.

### BENEFIT

Use for both commercial and residential routes -- single platform strategy.

### WHY IT MATTERS TO YOU

- Optimize fleet dynamics
- Can is readily removable to allow for commercial picks
- Smaller fleets save money

## INCREASED HOPPER CAPACITY 2

System mounts ahead of cab so all space behind can be devoted to carrying capacity.

### BENEFIT

Larger hopper means increased overall waste-handling capacity.

### WHY IT MATTERS TO YOU

- Fewer packing cycles means reduced wear and maintenance
- Fewer trips to landfill saves time and fuel expense while increasing productivity

## EYES-FORWARD OPERATION 3

Operator stays focused up front.

### BENEFIT

No looking back during operation so driver maintains awareness.

### WHY IT MATTERS TO YOU

- Drastically reduces risk of repetitive stress injury
- Operator can evenly spread material across the can, increasing productivity

## LOWER MAINTENANCE COSTS 4

Simple, effective operation.

### BENEFIT

Arm can be removed and replaced in minutes.

### WHY IT MATTERS TO YOU

- Fewer proximity switches and no limit switches
- On-the-ground maintenance
- Rugged, durable construction
- Service Smart™ design

#### EVEN DISTRIBUTION

5

The Curotto-Can shifts weight off the rear axle.

#### BENEFIT

Optimized center of gravity means increased payload capacity.

#### WHY IT MATTERS TO YOU

- Largest legal payloads means increased route efficiency
- Fewer trips to the landfill yields great productivity

#### FASTEST LOAD TIME

6

The Curotto-Can has unprecedented load time.

#### BENEFIT

Just four to five seconds from wheel-stop to wheel-go, versus 12-18 seconds for ASLs.

#### WHY IT MATTERS TO YOU

- Allows for maximum collection in shorter periods of time
- Shorter loading cycle means increased productivity

#### MUCH MORE MANEUVERABLE

7

The Curotto-Can makes collection a breeze.

#### BENEFIT

Significantly faster around cul-de-sacs and parked vehicles.

#### WHY IT MATTERS TO YOU

- Less backing events means eyes stay forward
- Reduces unnecessary time between stops which increases productivity

#### FULLY CUSTOMIZABLE CAN

8

Lots of options to choose from.

#### BENEFIT

Auto cover to reduce spillage, side brush kit keeps hopper sealed during transit, front light kit increases visibility.

#### WHY IT MATTERS TO YOU

- Versatile vehicle meets your needs

## Purchase your Heil unit through NJPA®

National Joint Powers Alliance (NJPA) has awarded Environmental Solutions Group (ESG), of which Heil is a part, a nationally bid contract for “Solid Waste and Recycling Collection Equipment with Related Equipment, Accessories, and Supplies.”

Through the ESG contract, NJPA Members can purchase any of ESG’s line of refuse and recycling equipment, including Heil front-loading, side-loading, and rear-loading refuse collection vehicles and roll-off hoists directly, without having to create an RFP and send the project through a duplicate bid process. By using the existing nationally bid contract, Members can receive the products they need more quickly and cost effectively.

Best of all, membership in NJPA is free! Qualified agencies can join online via the NJPA website at [www.njpacoop.org](http://www.njpacoop.org).

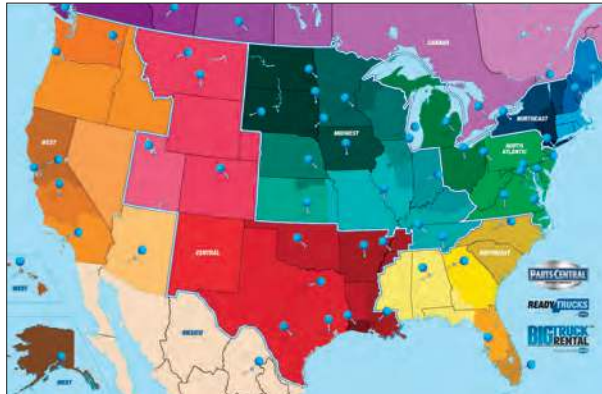

To find out more about purchasing Heil equipment via the ESG NJPA contract, please contact your local Heil Dealer.

## Trust Heil Certified OEM and aftermarket parts

Heil Certified OEM parts are the most reliable replacement parts for Heil refuse collection vehicles. They’re made following the exact specifications and production processes on the same assembly lines as the parts originally installed on the bodies. This means that they fit perfectly every time. Heil uses only the highest-quality materials for parts that last — minimizing costly downtime. For more information on parts, please call 800.528.5308.

## Rely on experienced local support

When you buy from Heil, you gain the aftermarket support of the industry’s strongest network of dealers in North America. We stand behind our products, so you get the support you need for the life of those products. Our dealers are also trained to help you find the best product for your particular route needs.

To find the dealer nearest you, visit our website at [www.heil.com](http://www.heil.com) and click on “Dealer Locator.”

## Rent a Heil unit from Big Truck Rental

There are many reasons why renting your refuse trucks may be the perfect solution compared to purchasing vehicles for your fleet. Heil is pleased to partner with Big Truck Rental to offer short- and long-term rental options on our most popular refuse collection models, including front loaders, rear loaders, automated side loaders, and roll-off hoists.

Call your local Heil Dealer for more information or visit [www.bigtruckrental.com](http://www.bigtruckrental.com).

## Choose your DuPont® finish

### Proven paint process

At Heil, we recognize that a quality paint finish requires a quality process and application. We have reviewed and refined our paint procedures to fully utilize the optimal characteristics of the paint and provide the finish and durability expected of Heil products. Heil uses a detailed process which includes:

1. Body surface prep
2. Joint sealer
3. Component powder-coating
4. Undercoating
5. DuPont paint

DuPont is the leader in commercial finishes, and Heil proudly uses DuPont primer and paint on all our refuse collection vehicles. Our priming and painting processes provide optimal adherence, durability, and corrosion resistance.

## Count on the Lowest TCO

Refuse and recycling collection vehicles are our passion, and we apply tremendous resources to advance our product and service offerings to improve the profitability of your business and provide the lowest Total Cost of Ownership and the maximum return on your investment. You can be confident that choosing Heil equipment brings a long-term partnership with the industry leader.
